

To Build Your Oracle

- Cut out the Oracle.
- With the Oracle facedown, fold it in half horizontally and vertically to crease it like this. 
- Fold all corners to the center. 
- Your Oracle should look like this. 
- Turn your Oracle over so the folds are face down. 
- Fold all corners to the center again. 
- Your Oracle should look like this. 
- Fold your Oracle in half horizontally and then vertically. 
- Put your fingers under the flaps. 
- Pull flaps up and out to create the finished Oracle. 

Rules for Use:

The first time you slay a Monster on your turn, consult the Oracle to gain an effect.

- Choose one of the four Monsters on the outside.
- Spell the Monster's name, moving the flaps in and out or side to side with each letter, keeping it open on the last letter.
- Choose a color revealed inside. Spell out the color name, moving the flaps in and out and side to side, keeping it open on the last letter.
- Choose a number shown on the flaps. Lift the inner flap to reveal your effect.
- Read your effect out loud and put that effect into play for the time period specified.
